Big government spending doesn't help the economy. Adrian Smith is leading the fight for a common sense strategy to create jobs and empower individuals, including:

- Improving the tax code for families, small businesses, the self-employed, and farmers & ranchers
- Permanently ending the Death Tax to protect family farms and small businesses
- Balancing the budget
- Supporting an all-of-the-above energy policy to create American jobs

## End Wasteful Spending.

Adrian Smith has consistently voted against bailouts and opposes "too big to fail."

- Opposed the \$860 billion "stimulus."
- Voted NO to Wall Street bailouts
- Opposed ObamaCare — no one should come between you and your doctor
